REFRIGERATOR

Service Bureau Created by
the I. C. Road.

The I. C. railroad has created what is to be known as the Refrigerator Service Bureau.

The attention of the Bureau will be directed largely toward icing, where there are innumerable opportunities for losses. Each day a report will be required from agents at icing stations, points of inspection and junctions showing the quantity of ice in tanks upon arrival, the quantity added, the condition of contents, and, at destination or junction, the quantity of ice remaining. The reports will also reveal any unnecessary icing of butter, eggs and dressed poultry. At all seasons dressed poultry requires some refrigeration while butter and eggs at certain seasons need none. A campaign of education will be carried on to instruct agents at icing stations as to matters of refrigeration in general.

VERY QUIET

Around the Court House and
Police Headquarters.

Most of the officials about the court house are off on vacations and everything is as quiet as can be. At police headquarters the same dullness exists though the officers are on duty as usual. Since last Wednesday morning there have been but three arrests, two for using profane language and one for drunkenness.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle

by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
